REQUEST FOR EXTENSION OF TIME

Sir:

GROUP 140

It is respectfully requested that the time for response to the Office Action mailed July 8, 1980 be extended to November 8, 1980. This is a request for a one month extension of the current due date of October 8, 1980.

This request is made for the following reasons. Upon receipt of the Office Action of July 8, 1980, the undersigned forwarded it to the applicants in France through their principal French representative. It has now been determined that more time is necessary in order to more fully study the merits of the case and the references of record before a full and complete response to the Office Action can be filed. It is respectfully submitted that the granting of this extension will facilitate prosecution of the case by allowing applicants to respond at one time without resorting to filing piecemeal responses to the action. In view of these circumstances, it is respectfully submitted that the granting of this request is appropriate and approval thereof is respectfully solicited.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D. C. 20231, on

October 6, 1980
